BILL COUNTER

FLEXIBLE, MAXIMUM-SPEED BILL COUNTING

The Safescan 2610's spacious hopper can hold 500 bills of the same denomination, and three adjustable speeds provide you with maximum counting flexibility, reliability and efficiency – up to 1.500 notes per minute. The 2610's front-loading hopper makes it possible for you to keep adding notes for continuous counting—ideal in environments where time and accuracy are of the utmost importance.

- Counts up to 1.500 bills/minute
- Suitable for all currencies
- Large hopper capacity of 500 notes for high capacity counting
- Counterfeit detection: UV and size
- Alarm when suspected or different sized bill is detected
- Add and batch function
- Stacker capacity of 220 notes
- Suitable for detection of current and new bills series
- User-friendly front panel
- Large LCD display with clear and professional layout
- Adjustable counting speed: 800, 1.200 and 1.500 bills per minute
- Sheet counting option (free count) without counterfeit detection
- Auto start and stop function

Adjustable counting speed - 800, 1.200 or 1.500 bills per minute

Batch function, to create fixed series of a pre-set number of bills

Large and clear backlit LCD display
